

## WHY US?

We're dedicated to nurturing growth and empowerment for individuals with disabilities. What sets us apart is our inclusive approach—we welcome everyone, not just the most challenging cases. With personalized support and meaningful activities, we create a welcoming environment where every participant can thrive. Join us and discover a place where you or your loved one can flourish and prepare for a fulfilling future.

Program Parent

GROW has been great with our daughter. She has had some significant behavior challenges and the leadership and staff at BIS has been completely solution-oriented. Staff members are well-trained in implementing behavior strategies.

"At GROW I see my friends, help them cook, and we go to the Zoo. I walked almost 4 miles with my Movement Group! I didn't think I could do it, but I did!"

## OUR SUPPORT STYLE

A "choose your own adventure" style program with individualized daily schedules including activities of daily living, career exploration, soft skill building, post-high school academic maintenance, relationship building, volunteer opportunities, etc.

Weekly classes include but are not limited to Cooking, Team and Individual Sports, Book Club, Pottery and Art, Science, Yoga and meditation.

We are immersed in our community in small groups on a daily basis. Local attractions, small businesses, sports venues, libraries, potential employers, you name it, we explore it.

Our fully trained, fun, and fantastic program staff includes Direct Support Professionals, Registered Behavior Technicians, and on-site Managers, Director, and Board-Certified Behavior Analysts.
